ANALYSIS

This is the second request for a Required Review of an approved Special Use Permit (U-0003-91) for a 50-foot tall, 14-foot by 48-foot Off-Premise Sign (Billboard) at 2003 S. Decatur Boulevard. A research of the building permit activity found that a sign permit (91100978) was issued for the installation of a billboard sign, which was finalized on 04/11/91 under the address of 1901 S. Decatur Boulevard. During a site inspection, staff found the sign facing south was blank, with the opposite side double-faced with both displays in good condition.

FINDINGS

The sign is located in a C-2 (General Commercial) zoning district and is not within the Off-Premise Sign Exclusionary Zone. A sign permit (91100978) was issued for the billboard and a final inspection conducted under the address of 1901 S. Decatur Boulevard. Staff finds that there is no adverse impact regarding the continued use of the billboard sign, as there have been no significant changes in development or land use in the surrounding area since the last review; therefore, staff recommends approval, subject to a three-year review.
